

If you are interested in applying for the PhD program at the FFU, please be prepared to send a copy of your transcripts, curriculum vitae, and dissertation prospectus (a research proposal of 5-10 pages in length) outlining your research question, theoretical perspective, and methodological design to your proposed research supervisor. Possible PhD supervisors at the FFU are Prof. Dr. Miranda Schreurs, PD Dr. Lutz Mez and Dr. Klaus Jacob.

Once you have received the okay from a potential PhD supervisor, prospective PhD candidates will need to obtain the approval notification (Zulassungsbescheid) of the Admission's Board (Promotionsausschuss). You can download a bulletin and the application form from the General Student Advisory Service:
