Transfer from Old to Current Study and Examination Regulations (StO/PO) - Interim Arrangement

Decision taken by the Examination Board on 23.10.2013

1. The old Study and examination regulations (StO/PO 13.10.2006) still apply to students that have been registered before winter semester 2013/2014. In general, these students should continue and finish their studies according to the old regulations.
2. The new Study and examination regulations, in place as of 18.09.2013, apply to students that have been registered from winter semester 2013/2014 onwards. For these students, it is not possible to transfer to the old StO/PO.
3. It is possible to request a transfer from the old into the new Study and examination regulations (StO/PO). The following provisions apply:
 - 3.1 Modules that have been completed before the transfer into the new regulations will be transferred entirely, including the module grade obtained according to the old StO/PO.
 - 3.2 Modules for which only partial credits have been obtained have to be completed according to the new regulations. Credits that have been obtained in the old system will be accredited strictly following the new Study and examination rules.
 - 3.3. Modules that are started after the transfer into the new regulations have to be completed according to the new regulations.
4. Students may request a transfer into the new Study and examination regulations within the first weeks of semester for the same semester, i.e. until 15.11. in winter semester and 15.05 in summer semester. Requests that have been received by the examination board after this deadline can only be implemented for the following semester. For the winter semester 2013/2014, the deadline to request a transfer has been extended until 15.12.2013.
