

WAALD

CREATIVE GROUP

At WAALD, brand strategists, industry experts, designers, film makers, photographers and digital specialists work together forming one productive ecosystem. Together, we deliver high quality thinking, creation and execution crafted by our unique WAALD signature.

To complete our team in Berlin we are looking for a:

Strategy Intern Economy & Politics (m/f)

WHY:

- You become part of a visionary creative agency model
- You are intellectually challenged by highly relevant client-projects
- You will be offered a serious chance to grow both personally and professionally

HOW:

- You are a fully fledged member in our heterogenous team
- You are located in our spacious office loft in the heart of Berlin, Kreuzberg
- You benefit culturally from both: high flexibility and high responsibility

WHAT:

- You work on assignments in the context of politico-economic questions
- You contribute with your journalistic experience in copywriting and editing
- You deliver research skills from your academic background in political science or macro-economics
- You are fluent in German (oral and written language)
- You are willing to stay with WAALD for 2-6 months

Let`s grow together. Apply now:
