

Ruptly GmbH is hiring News Journalists
Full-time employment
Germany- Berlin

WHAT: A freshly launched international video news agency

WHERE: Headquartered in Berlin, operating worldwide

NEED TO KNOW: Conceived, launched and run by seasoned industry professionals who want to make a better product the market needs

WHY YOU SHOULD CARE: It is a start up. There are no barriers, no set habits dating back to the pre-Internet era, no old guard to hinder your career progress.

There's a also a brand new state-of-the-art Newsroom and a young & ambitious team to welcome you and to test your mettle

And because you feel the time has come to show the world how really good you are

YOU ARE:

- a hardworking and driven self-starter;
- a multi skilled video news journalist who knows how to film, edit, write scripts and transmit your pieces. Or you're someone who really badly wants to learn how to do all that;
- someone who eats and breathes news; who can tell one Tripoli from another Tripoli and Kandahar from Talafar;
- totally happy to trawl and dig through the Internet for gripping stories
- a native or near native English speaker
- in possession of EU citizenship or a valid EU work permit

JOBS AVAILABLE

There are positions both in the Newsroom and in the field, and in exceptional cases, a combination of both.

Let the hiring manager Ivan Rodionov know why you are right for us
