

German Media Internship

Would you like to work in the dynamic advertising & media industry? For our office in London (Marble Arch) we are looking for a German native speaking intern.

Inter Voice Over is Europe's leading voice over agency. We produce voice recordings in 115 languages for TV commercials, games, apps, radio & TV stations, navigation systems and so on. Our clients include companies such as Coca Cola, Disney, Vodafone, MTV, EA Games, Audi, Google, amongst others.

For the launch of a new and ambitious project targeting the German market we are currently looking for a highly motivated intern. You'll receive training and will be working in a stimulating atmosphere on:

- sales, serving our German customers from quote to completion.
- media production, coordinating recording sessions around the world for our clients.
- online marketing.
- product development.

You are: highly motivated, eager to learn, outgoing, interested in online marketing and feel at home in a sales driven company.

Please send us a copy of your latest CV + photo and a covering letter highlighting why you stand out from the other candidates to : intern02@intervoiceover.com.

Working hours : Monday to Friday 8:15 AM – 4:45 PM (UK time)
