

Public Relation Intern (m/f) – Berlin, Germany

We are SpaceWays

SpaceWays is one of the newest Rocket Internet companies and aims to disrupt the storage industry by bringing technology into the game. We are an on-demand storage service currently operating in Toronto, Chicago, London and Paris with more cities to follow soon. Customers simply go to the SpaceWays' website then indicate how many storage boxes they need or which bulky items they want to store and SpaceWays' drivers will deliver heavy-duty containers to their doorstep. When customers have finished packing, the boxes and items are collected and stored in our secure facility just outside the city. Whenever you need your items back we deliver your stuff within 48 hours.

Responsibilities include:

- Press and media relations
- Conduct and compile research of different topics
- Media monitoring and evaluation
- Produce proficient and well written media materials
- Active participation in brainstorm sessions and developing new ideas for press stories and communication measures
