

# WAALD

CREATIVE GROUP

At WAALD, brand strategists, industry experts, designers, film makers, photographers and digital specialists work together forming one productive ecosystem. Together, we deliver high quality thinking, creation and execution crafted by our unique WAALD signature.

To complete our team in Berlin we are currently looking for a:

## Strategy Intern Economy & Politics (f/m)

### WHY:

- You become part of a visionary creative agency model
- You are intellectually challenged by highly relevant client-projects
- You will be offered a serious chance to grow both personally and professionally

### HOW:

- You are a fully fledged member in our heterogeneous team
- You are located in our spacious office loft in the heart of Berlin, Kreuzberg
- You benefit from high flexibility and high responsibility

### WHAT:

- You work on assignments in the context of politico-economic questions
- You contribute with your journalistic experience in copywriting and editing
- You possess excellent research skills given your academic background in political science or economics
- You are fluent in German (spoken and written)
- You are willing to stay with WAALD for 3 months while being adequately compensated

Let`s grow together.
