

## Program

# Sustainability, Energy and Environment

6<sup>th</sup>FFU PhD Workshop  
Environmental Policy Research Centre (FFU)  
Freie Universität Berlin

Friday, 13.7.2012 | 9:00am – 7:30pm

Henry Ford Building (Senate Assembly Hall), Freie Universität Berlin, Garystraße 35 (near U Thielplatz)

Twenty years after the key Earth Summit in Rio, the world, once again, is gathering under one roof. The objective of Rio+20 is to secure renewed political commitment for sustainable development, assess the progress to date and the remaining gaps in the implementation, and finally, to address new and emerging challenges. The 6th FFU PhD Workshop-Weekend will address these themes. Apart from graduate students, experts will present their research on different dimensions of energy and environment in the context of sustainability. On Friday the 13th we will present the following program.

For any questions about the 6<sup>th</sup> PhD Workshop feel free to contact **Hamed Beheshti**: [hamed.beheshti@fu-berlin.de](mailto:hamed.beheshti@fu-berlin.de).

## General Notes

We ask everyone to bring a creative and innovative one page biography with a photo of you. We will put them all on the pin board for everyone to get to know each other better. Furthermore, we do not want hungry PhDs, so we invite everyone to bring snacks or anything else delicious to eat for the workshop. As we are an international group we are looking forward to cakes, fruits and drinks from all over the world. Lunch will be at the FU canteen Veggie No 1. The evening event is in the restaurant “Luise” (<http://www.luise-dahlem.de>). You will find it in the Königin-Luise-Straße 40-42 - 14195 Berlin. If you have any questions don't hesitate to ask us.
