## Renewable Energy Strategies for Developing Countries

Session Chairs: Lutz Mez & Nicholas Watts

### ■ Morning Session

- 9.00 • Welcome  
Lutz Mez  
FFU, Berlin
- 9.25 • Capacity and Skills -  
Challenges for Small Island  
Developing States in  
Transition to a Carbon  
Neutral Economy  
Nicholas Watts  
London Metropolitan University
- 10.15 • Price-based or trading-  
based policies for promoting  
RES in emerging and  
developing countries?  
Reinhard Haas  
TU Vienna
- 11.00 *Coffee & Tea*
- 11.30 • Economics of renewable  
energy in developing  
countries  
Jyrki Luukkanen  
TSE/Finland Futures Research Centre
- 13.00 *Lunch*

### ■ Afternoon Session

- 15.00 • Renewable Energy  
Development in Cambodia  
Norith Phol  
Institute of Technology of Cambodia
- 15.45 • Biofuels vs. food: Does biofuels  
increase food prices?  
Amela Ajanovic  
TU Vienna
- 16.30 *Coffee & Tea*
- 17.00 • Brazilian Perspectives on  
Biofuels  
Markku Lehtonen  
SPRU, University of Sussex
- 18.00 • Renewable Energy Strategies  
as part of the Green New Deal  
Group Discussion
- 19.00 *Dinner*

Tuesday September 1, 2009

## Schools at University for Climate & Energy Energy Efficiency & Electricity Saving Policies

Session Chairs: Lutz Mez & Hans-Joachim Ziesing

### ■ Morning Session

- 9.00 • Schools at University for  
Climate and Energy  
(SAUCE)  
Annette Piening, FFU, Berlin  
Miranda Schreurs, FFU Berlin  
Maarten Arentsen, CSTM, University of  
Twente  
Nicholas Watts, London Metropolitan  
University  
Reinhard Haas, TU Vienna  
Frede Hvelplund, Aalborg University
- 10.30 *Coffee & Tea*
- 11.00 • SAUCE discussion  
continued
- 13.00 *Lunch*

### ■ Afternoon Session

- 15.00 • EU Energy efficiency targets  
and monitoring  
Stefan Thomas  
Wuppertal Institute
- 15.45 • Redirecting financial flows:  
renewable energy and  
energy efficiency  
investments  
Andreja Urbancic  
IJS, Ljubljana
- 16.30 *Coffee & Tea*
- 17.00 • Transfer of Policy  
Instruments for Electricity  
Savings (TRANSPOSE)  
Doris Fuchs & Ulrich Hamenstädt  
University of Muenster
- 19.00 *Dinner*

Wednesday September 2, 2009

## Decarbonizing the Global Energy System

Session Chairs: Miranda Schreurs & Nicholas Watts

### ■ Morning Session

- 9.00 • Nuclear, CCS and  
renewable sources:  
predicting evolutionary paths  
Tomas Käberger  
Swedish Energy Agency, Stockholm
- 10.15 • Electrical Power and  
Interdependence: Virtual  
Power Plants and the need  
for a "not so dumb" grid  
Nathaniel Scheer  
FFU, Berlin
- 11.00 *Coffee & Tea*
- 11.30 • Carbon Capture & Storage:  
New Challenges for climate  
policy. The German case  
Felix Chr. Matthes  
Oeko-Institute, Berlin
- 13.00 *Lunch*

### ■ Afternoon Session

- 15.00 • The roles of green innovators  
in local renewable energy  
policy in Japan  
Shota Furuya  
Aalborg University & ISEP, Tokyo
- 15.45 • Sustainable Energy Systems:  
Barriers and Solutions  
Niels I. Meyer  
Denmarks Technical University, Kgs. Lyngby
- 16.30 *Coffee & Tea*
- 17.00 • Strategies for Danish  
outphasing of fossil fuels  
before 2050  
Frede Hvelplund  
Aalborg University
- 17.45 • Putting Biomass into Action –  
The 4Biomass Project for  
Central Europe  
Sybille Tempel  
FFU, Berlin
- 18.30 • Decarbonizing Energy Systems  
and the Green New Deal  
Group Discussion
- 19.00 *Reception and  
Gala Dinner*

Thursday September 3, 2009  
Energy and Climate Policy Strategies

Session Chairs: Lutz Mez & Miranda Schreurs

■ Morning Session

- 9.00 • Recent European climate & energy policies & measures reflecting the UNFCCC and the Kyoto Protocol  
Ture Hammar  
Danish Energy Agency

- 9.40 • EU Before COP 15 Copenhagen  
Martin Bursik  
Ecoconsulting s.r.o., Prague

- 10.15 • Comparison of climate policy strategies of China, Ghana and Norway  
Atle Midttun  
Norwegian School of Management, Oslo

➤ 11.00 Coffee & Tea

- 11.30 • Updated development of Greenhouse Gas Emissions 2009 – delusions and reality  
Hans-Joachim Ziesing  
Berlin Energy Consultants

➤ 13.00 Lunch

■ Afternoon Session

- 15.00 • Multilevel Governance and Climate Change Politics  
Miranda A. Schreurs  
FFU, Berlin

➤ 16.00 Coffee & Tea

- 16.30 • Environmental information management: a key to sustainable urban governance?  
Avi Gottlieb  
Tel Aviv University

- 17.30 • Green New Deal, FIT, Smart grid - Global change and Japan's response  
Tetsu Iida  
ISEP, Tokyo

➤ 19.00 Dinner

➤ 20.30 Concert in the Schloss

Friday September 4, 2009  
Caspian Region Environmental and Energy Studies  
Towards a Green New Deal

Session Chairs: Hans-Joachim Ziesing & Lutz Mez

■ Morning Session

- 9.00 • Introduction  
Lutz Mez  
BC CARE, Berlin

- 9.10 • Iran's energy policy in the South Caucasus and the Caspian Region  
Sevak Sarukhanyan  
„Noravank“ Foundation, Yerevan

- 9.50 • On transformation of Iranian Political Structure and Politics. Potentials and Risks  
Hajo Funke  
Freie Universität Berlin

➤ 10.30 Coffee & Tea

- 11.00 • Iran's strategic challenge for its role as a natural gas supplier  
Maximilian Kuhn  
BC CARE, Berlin
- 11.40 • The natural gas sector of Turkmenistan – dreams & realities  
Heinrich Schulz  
BC CARE, Berlin

- 12.20 • Export options for Kazakh hydrocarbon resources  
Michael Liesener  
BC CARE, Berlin

➤ 13.00 Lunch

■ Afternoon Session

- 15.00 • Russian-Georgian relations and International Law – Reasons to rethink Western positions  
Dietrich Sperling  
Berlin Energy Consultants

- 15.45 • The impact of sanctions against the Iranian energy sector and the European energy security  
Behrooz Abdolvand  
BC CARE, Berlin

➤ 16.30 Coffee & Tea

- 17.00 • Transformation Dynamics in the Energy Sector  
Ruggero Schleicher-Tappeser  
Consultant – sustainable strategies, Berlin
- 17.45 • Does the energy and climate policy need 'shocks'?  
Erik Laes  
VITO, Mol

➤ 19.00 Dinner

Environmental Policy  
Research Centre

Towards a Green New Deal:  
The New Energy & Climate  
Policy

Schloss Leopoldskron,  
Salzburg, Austria,  
August 31-September 4, 2009
