The Politics of Transatlantic Trade Negotiations

TTIP in a Globalized World

Jean-Frédéric Morin, Laval University, Canada, **Tereza Novotná**, Université Libre de Bruxelles, Belgium., **Frederik Ponjaert**, Université Libre de Bruxelles, Belgium. and **Mario Telò**, Université Libre de Bruxelles, Belgium.

Series: Globalisation, Europe, Multilateralism series

By focusing on the wider process of negotiations, this novel volume presents the first systematic analysis of the Transatlantic Trade and Investment Partnership (TTIP). The authors include outstanding scholars and relevant practitioners from across disciplines and various academic institutions around Europe and North America, but also from outside of the transatlantic basin. While presenting a thorough examination of the process of TTIP negotiations, the volume is divided into four parts with each part examining a broader theme and offering three or four shorter exploratory chapters that are accessible to academics, students, policy-makers and a wider audience.
