Boltzmannstraße 3, 14195 Berlin (Room 3302)

Susan Rose-Ackerman is the Henry R. Luce Professor of Jurisprudence (Law and Political Science) with joint appointments between Yale Law School and the Yale Department of Political Science. She has taught and written widely on corruption, law and development, administrative law, law and regulatory policy, the nonprofit sector, and federalism. Her most recent book is, *Due Process of Lawmaking: The United States, South Africa, Germany, and the European Union* (with Stefanie Egidy and James Ffowkes). Her book, *Corruption and Government: Causes, Consequences and Reform*, which has been translated into 17 languages, and *From Elections to Democracy: Building Accountable Government in Hungary and Poland* plus the edited volumes: *International Handbook on the Economics of Corruption, vol I, vol II* (with Tina Søreide), *Comparative Administrative Law* (with Peter Lindseth), and *Anti-Corruption Policy: Can International Actors Play a Constructive Role?* (with Paul Carrington). Professor Rose-Ackerman has been a fellow at the Center for Advanced Study in the Behavioral Sciences and at Collegium Budapest as well as a visiting research scholar at the World Bank. She holds a Ph.D. in Economics from Yale University and has held Guggenheim and Fulbright Fellowships. She has a B.A. from Wellesley College. Her current research focuses on comparative administrative law and public policymaking and the political economy of corruption.
