

Monday September 15, 2008

The Bali-Copenhagen Road-Map

Co-ordinators: Lutz Mez & Franzjosef Schafhausen

Session Chairs: Lutz Mez & Miranda Schreurs

■ Morning Session

- 9:00 Welcome
Miranda Schreurs & Lutz Mez
FFU, Berlin
- 9:10 Updated development of Greenhouse Gas Emissions - delusions and reality
Hans-Joachim Ziesing
Berlin Energy Consultants
- 9:40 Climate Change and Renewable Energy Politics in the US, Europe & Japan
Miranda A. Schreurs
FFU, Berlin
- 10:10 Melting down Japanese climate change policy and politics
Tetsu Iida
ISEP, Tokyo
- > 10.40 *Coffee & Tea*
- 11:00 Uniformity and Diversity in Climate Change Policies
Aviel Verbruggen
University of Antwerp
- 11:45 Implementation of the EU climate & energy targets in Danish energy policy
Ture Hammar
Danish Energy Authority, Copenhagen
- > 13.00 *Lunch*

■ Afternoon Session

- 15:00 Mitigation of Global Warming with Focus on Personal Carbon Allowances
Niels I. Meyer
DTU, Kgs. Lyngby
- 15:30 The German dilemma between nuclear phase out, coal dominance and climate leadership: a case for CCS?
Barbara Praetorius
DIW, Berlin
- 16:00 The role of energy efficiency in combating climate change - the findings of the IPCC's Fourth Assessment Report
Diana Ürge-Vorsatz
CEU, Budapest
- > 16.30 *Coffee & Tea*
- 17:00 From Idea to Action. Engaging Local Authorities in Energy Innovation
Maarten Arentsen
CSTM, University Twente
- 17:30 Possible roles and functions of the coming International Renewable Energy Agency (IRENA)
Ruggero Schleicher-Tappeser
FFU, Berlin
- > 19.00 *Dinner*

Tuesday September 16, 2008

The EU "Green Package"

Co-ordinators: Staffan Jacobsson, Lutz Mez & Hans-Joachim Ziesing

Session Chairs: Staffan Jacobsson & Niels Meyer

■ Morning Session

- 8:30 Renewable Electricity in Europe: Challenges for a regulatory framework
Staffan Jacobsson,
Chalmers University, Gothenburg
Dominique Finon, CIRED; Paris
Volkmar Lauber, University Salzburg
Catherine Mitchell, University of Exeter
David Toke, University of Birmingham
Aviel Verbruggen, University of Antwerp
- > 10.30 *Coffee & Tea*
- 12:00 Emerging superpowers of renewable energy – explaining success (Germany, Brazil, China)
Tomas Käberger
Swedish Energy Agency, Stockholm
- 12:30 Biofuels in Brazil and its relationship with food and deforestation
Luiz Pinguelli Rosa
UFRJ, COPPE, Rio de Janeiro
- > 13.00 *Lunch*
- Afternoon Session
- 15:00 Design and functioning of "flexible mechanisms" to reach RES targets
Dietmar Preinstorfer
Energie-Control, Vienna

Wednesday September 17, 2008

PhD Projects and Young Researchers Day

Co-ordinator: Lutz Mez

Session Chairs: Maarten Arentsen & Nicholas Watts

■ Morning Session

- 9:00 Introduction
Maarten Arentsen
CSTM, University of Twente
- 9:10 The comeback of Coal-to-Liquids (CTL) technologies in the U.S. and China
Daniel Vallentin
Wuppertal-Institute
- 9:55 Costs of Climate Change - Different Models and Uncertainties Involved
Ingrid Nestle
Universität Flensburg
- > 10.40 *Coffee & Tea*
- 11:10 Convergence of feed-in tariffs in Germany, France and Spain - A pathway towards harmonisation
David Jacobs
FFU, Berlin
- 11:55 Comparative Study of energy social policies between EU and Japan
Shota Furuya
ISEP, Tokyo
- > 13.00 *Lunch*

■ Afternoon Session

- 15:00 Market-based Instruments for EU-Renewable Energy Policy. The Case of Tradeable Green Certificates
Elisa Schenner
University33 Salzburg
- 15:45 White Certificates – practical experiences
Sibyl Steuwer
FFU, Berlin
- > 16.30 *Coffee & Tea*
- 17:00 Sustainable Biofuel Certification
Miyako Enokibori
ISEP, Tokyo
- 17:45 Tokyo Metropolitan Gov's new Cap & Trade and Feed in Tariff system and its impact
Noriaki Yamashita
ISEP, Tokyo
- > 19.00 *Reception and Gala Dinner*

Thursday September 18, 2008

European Energy security and the role of the Caspian Region

Environmental Governance & Risk Society

Co-ordinators: Lutz Mez & Behrooz Abdolvand

Session Chairs: Hajo Funke & Miranda Schreurs

■ Morning Session

- 9.00 Introduction
Hajo Funke
Freie Universität Berlin
- 9.10 Scenarios of power demand and supply for Kazakhstan – a view from outside
Hans-Joachim Ziesing
Berlin Energy Consultants
- 9.40 The correlation between the oil price and the world currency U.S.-Dollar
Behrooz Abdolvand
FFU, Berlin
- 10.10 The energy policy in the South Caucasus
Sevak Sarukhanyan
"Noravank" foundation, Erivan
- > 10.40 Coffee & Tea
- 11.00 Resource-Rich Countries of the Caspian Sea and the International Rule of Law
Barbara Janusz
Friedrich-Ebert-Stiftung, Warsaw
- 11.30 Kazakhstan and Azerbaijan as Post-Soviet Rentier States
Anja Franke
Kiel University
- 12.00 Significance of Caspian Energy Resources for the PR of China
Matthias Adolf
FFU, Berlin
- > 13.00 Lunch

■ Afternoon Session

- 15.00 Introduction
Miranda A. Schreurs
FFU, Berlin
- 15.10 Sectoral Approach Proposal by Japan for Climate Change Policy
Kazuo MATSUSHITA
Kyoto University
- 15.40 Problems of Sectoral Approach in Climate Change Policy of the Japanese government
Masatake UEZONO
Shimane University
- 16.10 Reasons for Climate Change Policy
Makoto USAMI
Tokyo Institute of Technology
- > 16.40 Coffee & Tea
- 17.10 Risk Society and Environmental State
Ken TAKESHITA
Kansai University
- 17.40 Watershed Governance in Making River Plan in Japan: the Public Choice Viewpoint
Junichi NAGAMINE
Kwansei Gakuin University
- 18.10 On the Conditions of the Environmental Governance from the Advocacy Coalition Framework
Dong Ae SHIN
University of Kitakyushu
- > 19.00 Dinner

Friday September 19, 2008

A Nuclear Renaissance?

Co-ordinators: Lutz Mez & Maria Rosaria Di Nucci

Session Chairs: Hans-Joachim Ziesing & Lutz Mez

■ Morning Session

- 9.00 Introduction
Hans-Joachim Ziesing
Berlin Energy Consultants
- 9.10 The Nuclear conflict after Chernobyl
Lutz Mez
FFU, Berlin
- 9.30 Perspectives of nuclear power
Klaus Traube
Oberursel
- 10.00 Nuclear liabilities revisited
Tomas Käberger
Swedish Energy Agency, Stockholm
- > 10.30 Coffee & Tea
- 11.00 Reconciling Electricity Markets and New Nuclear Build
Steve Thomas
PSIRU, University of Greenwich
- 11.30 Drivers and conditions for a second nuclear boom
Katherina Grashof
Bundesamt für Strahlenschutz
- 12.00 Contractual and financing arrangements for new nuclear investment in liberalised markets
Dominique Finon
CIRED, CNRS
- 12.30 The EU nuclear package: an analysis of the policy process 2002-2007
Raphael Sauter
SPRU, University of Sussex
- > 13.00 Lunch

■ Afternoon Session

- 15.00 Nuclear and democracy perspectives
Leo Seserko
Ljubljana
- 15.30 Renewable and nuclear power: a common future?
Aviel Verbruggen
University of Antwerp
- 16.00 Japanese Nuclear Governance: A Critical Examination
Yukio ADACHI
Kansai University
- > 16.30 Coffee & Tea
- 17.00 An economic analysis of reprocessing in Japan
Kenichi Oshima
Ritsumeikan University, Kyoto
- 17.30 Final Discussion
- > 18.30 Dinner
