

18th REFORM Group Meeting, Salzburg – August 26–30, 2013

Climate Policy Strategies and Energy Transition Agenda

Monday 26.08.2013	Nuclear Waste Governance in Comparison Chair persons: Achim Brunnengräber & Klaus-Jürgen Röhlig
9.00-11.00	- Welcome and Introduction (Lutz Mez) - Nuclear Waste Governance: The Comparative ENTRIA Approach (Miranda Schreurs) - German and Swiss Nuclear Waste Policy. Attempts of New Participative Governance under Tricky Conditions (Peter Hocke & Sophie Kuppler)
11.00-11.30	Coffee & Tea Break
11.30-13.00	- Disposal of radioactive waste in Sweden (Tomas Kåberger) - Recent policies on the disposal of radioactive waste in Finland (Burkhard Auffermann) - Evaluation of the socio-economics of geological disposal of nuclear waste in France: governing megaproject pathologies (Markku Lehtonen) - Money dictates nuclear waste policy in the Netherlands (Herman Damveld)
13.00-15.00	Lunch
15.00-17.00	- Nuclear waste governance in the UK (Gordon MacKerron) - Evolution of the governance of nuclear waste in Belgium (Erik Laes) - Radioactive Waste Disposal: Technical „Tour de Force“ (Klaus-Jürgen Röhlig)
17.00-17.30	Coffee & Tea Break
17.30-19.00	- Nuclear waste governance in Spain (Ana Maria Isidoro Losada) - Nuclear waste governance in Italy (Rosaria Di Nucci) - Nuclear waste governance in the US (Richard Forrest)
19.30	Dinner
Tuesday 27.8.2013	Nuclear Power Policy after Fukushima Chairpersons: Reinhard Haas & Lutz Mez
9.00-10.30	- Can nuclear power be part of a sustainable development? (Erik Laes, Sanne Lemmens, Aviel Verbruggen) - The future of EURATOM (Michael Schreyer)
10.30-11.00	Coffee & Tea Break
11.00-13.00	- The economics of nuclear power (Reinhard Haas) - The economics of Nordic nuclear power politics (Tomas Kåberger) - Nuclear power policy in the UK (Gordon MacKerron)
13.00-15.00	Lunch
15.00-17.00	- Nuclear waste governance in Japan (Tetsu Iida) - Nuclear policy change in Japan after Fukushima (Rie Watanabe) - Consciousness structure to the nuclear power generation of the nuclear power generation location area residents after the Fukushima accident (Masatake Uezono)
17.00-17.30	Coffee & Tea Break
17.30-19.30	- Nuclear power policy in Brazil (Luiz Pinguelli Rosa) - Perspectives for nuclear energy in Mexico after Fukushima (Leticia Campos Aragon) - Nuclear power in Slovenia & Croatia (Leo Seserko)
19.30	Dinner

Wednesday 28.8.2013	Climate Policy Strategies Chairpersons: Dan Mazmanian & Nicholas Watts
9.00-10.30	- Worldwide GHG emissions 2012 (Hans-Joachim Ziesing) - The German „Energiewende“ – Climate Change, Renewables, Energy Efficiency (Franzjosef Schafhausen)
10.30-11.00	Coffee & Tea Break
11.00-12.30	- California’s Climate Change Policy: A “Race to the Top” (Dan Mazmanian) - Energy Efficiency in Russia: Scope for EU-Russia Cooperation (Alexander Gusev)
13.00-15.00	Lunch
15.00-16.30	- Is climate policy complex? (Aviel Verbruggen) - Green Transition: Dilemmas and Solutions (Niels Meyer)
16.30-17.00	Coffee & Tea Break
17.00-18.30	- The Anatomy of Green Transition (Atle Midttun) - Towards Ecomodernity: A Cultural Theory of Paradigm Change (Nina Witoszek)
19.30	Reception
20.00	Gala Dinner
Thursday 29.8.2013	Challenges for the Transition to a Renewable Energy System Chairpersons: Atle Midttun & Tomas Kåberger
9.00-10.30	- The economics of abundant solar- and wind-electricity (Atle Midttun, Frede Hvelplund, Tomas Kåberger)
10.30-11.00	Coffee & Tea Break
11.00-12.30	- Policy Principles for ensuring renewable electricity investments (Raffaele Piria) - Market integration of renewables: Do we need capacity markets? (Reinhard Haas) - The German Monitoring process of “Energiewende” (Hans-Joachim Ziesing)
13.00-15.00	Lunch
15.00-16.30	- The politics of increasing and reducing RES-E support in Germany (Volkmar Lauber & Staffan Jacobsson) - Refinancing RES and conventional power: Convergence or continued divergence (Katherina Grashof) - Climate Action Plan in Denmark: Discussing 78 Policies and Measures (Ture Hammar)
16.30-17.00	Coffee & Tea Break
17.00-18.30	- Policies and measures to promote sustainable bioenergy production and use in the Baltic Sea Region (Michael Krug) - Grid Integration Issues of Renewable Energy in Japan and Its Transparency of Grid Data (Asami Takehama)
19.00	Dinner
20.00	Concert
Friday 30.8.2013	Resources and Risks in the Caspian Region Chairpersons: Lutz Mez & Johann W. Gerlach
9.00-10.30	- The role of energy in Iran’s regional relations (Bijan Khajepour) - Sanctions and Iranian Energy Exports (Shabnam Mirsaeedi-Gloßner)
10.30-11.00	Coffee & Tea Break
11.00-12.30	- Iran’s gas exports: can past failure become future success? (David Ramin Jalilvand) - Caspian and EU Energy Security: Iran, an Inevitable Partner (Ali Reza Sheikh Attar & Hojatollah Ghanimi Fard) - Iran and the future of European Gas Supply – the European Perspective (Lutz Mez)
13.00-15.00	Lunch
15.00-16.30	- Central Asia and the Caucasus, regional integration revisited (Alexandre Babak Hedjazi) - Energy Governance and International Organizations: Capacity for Cooperation in Central Asia (Richard Wheeler)
16.30-17.00	Coffee & Tea Break
17.00-19.00	- Prospect of Turkmen gas deliveries to Europa (Heinrich Schulz) - Escaping the landlockedness: the Kazakh multi-vector oil export policy (Michael Liesener) - The future of the Kazakh energy sector and the Kazakhstan 2050 strategy (Matthias Dornfeldt)
19.30	Dinner
