

# French and Social Sciences Summer Programme

July 4th – August 1st, 2014

Paris

**SciencesPo.**

“The least we can expect from a grown man is that he knows his time (...). It is important that each new generation enters the modern life without astonishment and knows to find its place and move on.”

Emile Boutmy, Founder of Sciences Po

## FACTS AND FIGURES

Founded in **1872**

**50** visiting professors every year from all over the world

3400 lecturers with backgrounds in academia, business or public administration

**12 000** students

13 research units

**450** partner universities

**46%** of students come from 150 different countries

“The summer programme in French Language and social sciences is a unique experience to share an intellectual ambition and to be part of an innovative educational project. You will develop your French writing and speaking skills and get introduced to a rich culture. You will also be part of a vivid community that will accompany you everywhere.

This tailor-made programme will build up your sense of discernment, judgment, and arouse your intellectual curiosity. Join us at Sciences Po this summer!”

Francis Vérillaud, Head of the International Office,  
Deputy Director of Sciences Po

## A tailor-made intensive French and social sciences summer programme in Paris for International students.

### OVERVIEW

The French and social sciences summer programme is an intensive programme aimed at students who want to improve their French skills, enhance their ability on Social Sciences methodology and issues, while discovering the renowned capital city of France.

The 2014 Summer Programme offers 2 exceptional tracks:

- o A French intensive track for beginners: classes of French language, with a strong emphasis on tutorials, learning in small classes and capacity to express oneself through tutorials for oral and written expression. Social sciences classes taught in English to get introduced to Sciences Po methodology and core subjects.

- o A French applied to Social sciences track for intermediate and advanced students: intensive

classes in French language combined to innovative theatre workshops with cutting-edge classes on French and European cultural history and political institutions (taught in French). This track will also give students a key to familiarize themselves with the French Higher Education tools: writing an essay, how to construct an oral presentation...

### PARIS CAMPUS

Sciences Po Summer Programme takes place in our campus located in the heart of Paris, at Saint-Germain des Prés, close to the Louvre and the Quartier Latin, in the centre of one of the great cities of the world.

The campus dates back to the school’s foundation. It draws on the city’s incomparable cultural resources.

The city campus is also a global hub, welcoming annually more than 4.000 international students.

## A WEEK AT SCIENCES PO

3.30-4.30						
4.30-5.30		TUTORIAL (optional)				
5.30-6.30						

## COMPLETION

A programme certificate will be awarded to all students.

If you wish to receive credit for your Summer programme courses from your home university, you will need to contact either your Study Abroad Office or the office in your university that deals with external credit. We strongly advise you to do this before you apply.

It is up to your home university to decide how much credit is awarded. However we are happy to offer advice to institutions if necessary and provide them with the course syllabus.

Please note that the completion of our summer programme will also take both the attendance and constancy of students into consideration.

If you are a Sciences Po student (or will be), please note that these credits will not be taken into account for your upcoming studies at Sciences Po.

## THE ACADEMIC TEAM

Courses and lectures are taught by a group of specialized and well-experimeted professors who have also been teaching in overseas universities, such as Harvard or Columbia.

“This programme offers students the intellectual challenge they expect from Sciences Po: the lessons in French as a Foreign Language will be oriented towards social sciences, equipping them with sound knowledge of both spoken and written academic French. Tutorials and workshops will allow them to develop the ability to appropriate the techniques required to succeed in French higher education.”

Myriam Faten Sfar, Academic Coordinator

## TUITION FEES (not refundable)

No application fee is required.  
Tuition for courses: 2100 euros

## APPLICATION

Open from December 2<sup>nd</sup>, 2013 to April 15<sup>th</sup>, 2014.

More information on [www.sciencespo/summer-school](http://www.sciencespo/summer-school)

Contact : [summer.school@sciencespo.fr](mailto:summer.school@sciencespo.fr)

## HOUSING (not refundable)

Possibility to book a room through Sciences Po. More information in January 2014.

“This summer, Sciences Po invites you to an exceptional experience in Paris, perform your French language skills, develop your social sciences knowledge and build new networks!”

Capucine Edou, programme Director
